3. COMPOSITION/INFORMATION ON INGREDIENTS

<u>Composition</u>	CAS No.	<u>Proportion %</u>
Glycerine	8043-29-6	42.0
Purified Water	7732-18-5	> 37.0
Flavour & others	Not applicable	< 20.0
Fluorescein-based dyes	Not applicable	< 1.0

4. FIRST AID MEASURES

Eye Contact: If this product comes in contact with the eyes:

Immediately hold eyelids apart and flush the eye continuously with running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye

and moving the eyelids by occasionally lifting the upper and lower lids.

Continue flushing with flowing water for at least 15 minutes.

If symptoms persist, seek medical advice.

Skin Contact: If skin or hair contact occurs:

Flush skin with flowing water for at least 15 minutes. Remove any contaminated clothing. Seek medical attention. Wash or rinse thoroughly any contaminated area.

Staining will be avoided if rinsed/washed immediately.

Inhalation: If inhaled, seek medical attention

Ingestion (swallowing): Give water to drink to dilute stomach contents and seek medical attention.

5. FIRE FIGHTING MEASURES

Extinguishing media: There is no restriction on the type of extinguisher

which may be used.

Use extinguishing media suitable for surrounding area.

Fire/Explosion hazard: Noncombustible

Not considered to be a significant fire risk

Product Name: Plaqpro Clinical

SAFETY DATA SHEET

6. ACCIDENTAL RELEASE MEASURES

Personal precautions:

Use PlaqPro gel with care and as detailed by

instructions on pack

Environmental precautions: Not hazardous

Methods and materials for containment

and cleaning up Minor Spills:

Clean up spills immediately. Wear suitable protective clothing. Remove spills using plenty of water and a soft sponge or towel. Remove immediately to avoid staining or damaging surfaces. Material can be disposed of with general waste or via the normal

sewer systems.

7. HANDLING AND STORAGE

Precautions for Safe Handling: Ensure cap for dropper bottle is replaced and tightly closed immediately

after use.

When handling, **DO NOT** eat, drink or smoke. Keep containers securely sealed when not in use. Avoid physical damage to containers. Always wash hands with soap and water after handling. Work clothes should be laundered

separately. Launder contaminated clothing before re-use. Use good occupational work practice. Observe manufacturer's storage and handling recommendations contained within this SDS. Atmosphere should be regularly checked against established exposure standards to ensure safe working conditions are maintained. **DO NOT** allow clothing wet with material

to stay in contact with skin

Conditions for Safe Storage: Store in a cool place at temperatures below 30°C

Original sealed containers provided by manufacturer.

Store away from incompatible materials and foodstuff containers.

Observe manufacturer's storage and handling recommendations contained

within this SDS

Environmental precautions: Do not allow product to reach sewers and rivers.

Other Precautions: Keep out of reach of children. Do not ingest. Avoid eye contact and

contamination of food, and use according to directions on container.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Product is considered safe if used as intended.

Product Name: Plagpro Clinical Page 3 of 6

SAFETY DATA SHEET

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Opaque purple/blue solution

Odour: No specific odour

pH of solution: 6 to 8Boiling Point (°C): ~ 100 °C

Specific Gravity:

Flammability limits (%): Not flammable

Solubility in water (g/L):CompleteVapor Pressure:Not availableMelting Point (°C):Not available

10. STABILITY AND REACTIVITY

Approx. 1 g/mL

Stability: Stable under normal conditions

Hazardous reactivity (polymerization)

Does not occur

Hazardous Decomposition Products: No data available

11. TOXICOLOGICAL INFORMATION

Inhaled: No data

Ingestion: Ingestion without dilution may cause irritation to the digestive

system.

Skin: No known absorption or irritant effect on short-term contact.

Eye: Direct contact with the gel may cause irritation.

Chronic: There are no other known long term health effects expected.

Product Name: Plaqpro Clinical

SAFETY DATA SHEET

12. ECOLOGICAL INFORMATION

Acute Aquatic Hazard: Not Available

Long-term Aquatic Hazard: Not Available

Ecotoxicity: No information available

Persistence and Degradability: Not readily biodegradable

Bioaccumulation Potential: No data available

Mobility in Soil: No data available

13. DISPOSAL CONSIDERATIONS

Disposal Method: Dispose of in accordance with all local, state and federal

regulations. All empty packaging should be disposed of in accordance with Local, State, and Federal Regulations or

recycled/reconditioned at an approved facility.

Disposal of Contaminated Packaging: Recycle /reconditioned at an approved facility.

Environmental Regulations: Not relevant

SAFETY DATA SHEET

16. OTHER INFORMATION

Product is considered safe if used as intended. PlaqPro Plaque Contrasting Gel contains a safe colour used widely in the pharmaceutical and medical fields which may stain if left to dry. PlagPro solution can be removed from surfaces if rinsed or wiped with sufficient quantities of water. Any stains on clothing can be washed out in a normal wash cycle. If marks occur, these should reduce with time.

Product is intended for Professional medical/dental use only.

This information was prepared in good faith from the best information available at the time of issue. It is based on the present level of research and to this extent we believe it is accurate. However, no quarantee of accuracy is made or implied and since conditions of use are beyond our control, all information relevant to usage is offered without warranty.
